

Changes in CME in Russia in 2013

Elena Frolova

Major changes

- According Bologna declaration no more postgraduate education- CPD/CME
- No more state Universities for postgraduate education
- Professional association will play the main role in CME/CPD
- Distance learning and system of credit' units

Short analysis

Strength

- International principles
- The power of associations will grow

Weakness

- Associations are not ready
- Associations are weak
- Distance learning system is not well developed
- Finances ???????
- Who will teach?
- Time is needed
